Message from the Administrator

Franklin Don Pacarro, Jr.

Aloha and Happy New Year!

The Honolulu Liquor Commission (HLC) will be hosting its 3rd Symposium, Friday, February 19, 2016, at the Neal Blaisdell Center - Pikake Room. We look forward to welcoming everyone - past attendees and first timers. The presentations will be informative, but most importantly, keeping with our goal of regulation through education.

The 2016 Legislative Session has started, and there are a number of bills that may affect you. The HLC will present testimony and/or monitor all relevant bills.

Please check our website:
www.honolulu.gov/liq for updates.

Mahalo,
Don Pacarro

Intoxicated Customers?

Please be aware that any licensee who serves, sells or allows the consumption of alcohol by anyone who is under the influence of liquor, is in violation of Hawaii State law.

To allow a person under the influence of liquor to remain in or on the licensed premise is also a violation of Hawaii State law.

Refer to Hawaii Revised Statutes §281-78

Identifying an Intoxicated Person

- The person has consumed intoxicating liquor sufficient to impair normal mental faculties.
- Impaired ability to care for oneself and guard against casualty.

Impaired clearness of intellect and control of oneself which the person would otherwise normally possess.
